

## Changing Item Aliases for more meaningful Logged data names

This example shows the Excel spreadsheet for RC11-1 prior to the item alias being changed, then after the item alias has been changed.

Default name: -

	A	B	C	D	E
1	Site Information:				
2	DM In The Sky				
3	RDM Data Manager				
4					
5	This is a bunch of text....2				
6	Controller: RC11-1				
7					
8	Time	Probe temp	State		
9	15/08/2004 23:00	????????	Alarm		
10	15/08/2004 23:10	????????	Alarm		
11	15/08/2004 23:20	????????	Alarm		
12	15/08/2004 23:30	????????	Alarm		
13	15/08/2004 23:40	????????	Alarm		
14	15/08/2004 23:50	????????	Alarm		
15	16/08/2004 00:00	????????	Alarm		

Notice that column 2 has the default name of "Probe temp"

Change the item alias by selecting the "Item Alias" icon and selecting controller RC11-1

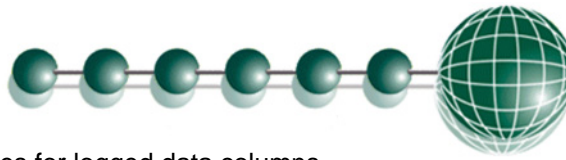

Choose controller(s) to set

Set Aliases

Controller	Description
<input checked="" type="checkbox"/> RC11-1	Roll in Milk case
<input type="checkbox"/> RC20-1	Dairy Case 20-1
<input type="checkbox"/> RC36-1	Sandwich case
<input type="checkbox"/> Freeze	Freezer Probe
<input type="checkbox"/> INP002	Produce cabinet
<input type="checkbox"/> INP004	DM Temperature Probe
<input type="checkbox"/> INP005	DM Alarm Input
<input type="checkbox"/> INP012	DM Temperature Probe
<input type="checkbox"/> INP024	DM Temperature Probe
<input type="checkbox"/> INP10	DM Temperature Probe
<input type="checkbox"/> INPUT6	DM Temperature Probe
<input type="checkbox"/> INPUT8	DM Temperature Probe
<input type="checkbox"/> INPUT9	Chill coldroom

Set Aliases

## Item aliases for logged data columns

Change the item alias to something meaningful: -

### Set Item Alias for RC11-1

Set Item Aliases

Item	Item Alias
Probe Temp	Roll in milk tmp
Probe Type	Probe Type
Defrost Input	Defrost Input
OT Alarm	OT Alarm
UT Alarm	UT Alarm
Alarm delay	Alarm delay

Set Item Aliases

Note: To remove an alias leave the text box blank

After the item "Probe temp" has been aliased to "Roll in milk tmp", observe the excel result: -

	A	B	C	D	E	F
1	Site Information:					
2	DM In The Sky					
3	RDM Data Manager					
4						
5	This is a bunch of text....2					
6	Controller: RC11-1					
7						
8	Time	Roll in milk tmp	State			
9	15/08/2004 23:00	?????????	Alarm			
10	15/08/2004 23:10	?????????	Alarm
